Hardy Native Plants
Evergreens and
Shrubs

EXETER, NEW HAMPSHIRE
U. S. A.

DIRECTIONS TO CUSTOMERS

Our terms are cash with order and prices include boxing, packing, and delivery to our freight office, post office, or express office.

Five of one variety takes the ten rate and twenty-five the one hundred rate.

Discount: All orders received before April 15 with cash will be given a 10% discount. All prices are net after April 15.

Unless instructed otherwise, all orders will be shipped by express.

If ordering by parcel post please include 10% extra to cover postage.

We always endeavor to ship stock in a strong healthy condition, and true to name. If any should prove otherwise, we will either replace the stock or refund the purchase price.

Remittance may be sent by check, registered letter, or post office order.

Hardy New England Grown—Best by Test.

“ pubescens, Common Yellow Ladyslipper. 1 ft. Flowers are pale yellow. Grows in rich, moist woods. May.			
	.75	2.00	15.00
“ spectabile, Showy Ladyslipper. 2-3 ft. Rose-pink and white flowers on stalks covered with large round leaves. It is a bog plant, but will grow in shady beds of leaf mold or peat moss, if kept moist. May.			
	.75	2.00	15.00
Goodyera pubescens, Downy Rattlesnake Plantain. 1 ft. Fragrant flowered orchid with attractive white veined leaves. For piney woods.			
	.75	2.00	15.00
Goodyera repens, Rattlesnake Plantain. 1 ft. Leaves lighter green than the preceding variety.			
	.75	2.00	15.00
Habenaria blephariglottis, White Fringed Orchid. 2 ft. Spikes of white fringed flowers arising from between two long narrow leaves. July.			
	1.00	3.00	25.00
“ ciliaris, Yellow Fringed Orchid. 2 ft. Spikes of yellow fringed flowers in late July.			
	1.00	3.00	25.00
“ fimbriata, Large Purple Fringed Orchid. 5 ft. Spikes of bright lavender flowers in late July.			
	1.00	3.00	25.00
“ lacera, Green Fringed Orchid. 2 ft. Greenish yellow flowers in July.			
	.60	1.50	10.00
“ psycodes, Small Purple Fringed Orchid. 2-3 ft. Similar but smaller than the fimbriata.			
	.75	2.00	15.00
Orchis spectabilis, Showy Orchid. 6-8 in. Fragrant lavender flowers in May-June.			
	1.00	3.00	25.00

	3	10	100
Pogonia ophiglossoides, Rose Pogonia. Small pink orchid growing in bogs. Grass-like stems 6 inches high. June and July.			
	\$0.75	\$2.00	\$15.00
Spiranthes latifolia, Ladies-Tresses. 10 in. Flowers creamy white. August.			
	.75	2.00	15.00

HARDY NATIVE PERENNIALS

Prices of hardy native perennials, unless otherwise noted: 60c per \$3; \$1.50 per 10; \$10.00 per 100.

***Achillea millefolium rosea, Rose Yarrow.** 2 ft. Bright rose-pink flowers throughout the summer.

Aconitum fischeri, Azure Monkshood. 5 ft. Deep blue flowers in September.

\$1.00 \$3.00 \$20.00

“ **uncinatum, Clambering Monkshood.** 3-5 ft. Light blue. June and September.

.90 2.50 17.50

Acorus calamus, Sweetflag. Leaves light green, 1 to 3 ft. long. Root-stalk has an aromatic flavor. For bog gardens and shallow pools.

***Actaea alba, White Baneberry.** 2 ft. White flowers in racemes, followed by white berries in clusters.

* “ **rubra, Red Baneberry.** 2 ft. Large clusters of bright red berries in late summer.

Amorpha canescens, Lead Plant. 4 ft. Spikes of blue 6 in. long.

Anemone canadensis, Meadow Anemone. 1-2 ft. White. Prefers damp location.

* “ **cylindrica, Candle Anemone.** 2-3 ft. White flowers followed by seed tufts of snowy white wool.

* “ **quinquefolia, Native Windflower.** 6 in. Small pink-tinged, white flowers in early spring. For the woods or shady damp location.

***Anemonella thalictroides, Anemonella.** 9 in. Small, white flowers in early spring. Will grow in any good garden soil.

***Aquilegia caerulea, Rocky Mountain Columbine.** Sky blue. Long spurs.

.75 2.00 15.00

***Aquilegia canadensis, American Columbine.** 1-2 ft. Native red and yellow. A fine rock garden plant.

Prices of hardy native perennials, unless otherwise noted: 60c per 3; \$1.50 per 10; \$10 per 100.

	3	10	100
Aralia racemosa, American Spikehard. 3-5 ft. White flowers. Large clusters of brown-purple berries.			
	\$1.00	\$3.00	\$20.00
Aruncus sylvester, Goat's Beards. 3-5 ft. Long, feathery plumes of white flowers.			
	.75	2.00	15.00
* Asarum canadensis, Canada Wild Ginger. Kidney-shaped leaves, 3-5 in. wide. Fine for shady corner.			
Asclepias incarnata, Swamp Milkweed. 3 ft. Rose-purple to pink flowers. Very attractive seed pods.			
“ tuberosa, Butterfly Weed. 1 ft. Large head of orange colored flowers. Open sun.			
* Aster ericoides, Heath Aster. 1 ft. Pinkish white.			
“ linariifolius, Savory Leaved Aster. 2 ft. Flowers violet.			
“ longifolius, Longleaf Aster. Violet or pale purple.			
“ memoralis, Bog Aster. 2 ft. Slender. Violet flowers. For bog gardens.			
“ novae-angliae, New England Aster. 3-5 ft. Purple.			
“ novae-angliae roseus, Rosy New England Aster. 3-5 ft. Rose colored flowers.			
“ novibelgi, New York Aster. 2-3 ft. Violet and purple.			
“ puniceus, Swamp Aster. Flowers white to violet-purple.			
“ umbellatus, Flat Top Aster. 8 ft. White flowers in large flat heads.			
* “ undulatis, Wave Aster. 3-4 ft. Pale blue or violet.			
Baptisia australis, Blue Wild Indigo. 3-4 ft. Dark blue flowers shaped like Sweet Peas.			
	.75	2.00	15.00
“ bracteata, Cream Wild-Indigo. Cream-colored flowers cover the entire plant.			
“ leucantha, White Wild-Indigo. Drooping branches with pea-shaped flowers.			
“ tinctoria, Yellow Wild-Indigo. 2 ft. Flowers yellow. Forms large clumps.			
Caltha palustris, Marsh Marigold. For swamp places. Bright yellow flowers.			
* Campanula rotundifolia, Hare Bells. Stems are very slender. Tiny bell-shaped flowers of sky-blue.			
Caulophyllum thalictroides, Blue Cohosh. 1 ft. Flowers greenish yellow, followed by blue berries.			

Those marked with an asterisk (*) are adapted to the rock garden.

3 10 100

Prices of hardy native perennials, unless otherwise noted: 60c per 3; \$1.50 per 10; \$10.00 per 100.

Chimaphila umbellata, Common Pipsissewa. 10 in. An evergreen with bright shiny leaves. Used in making Christmas wreaths.

Chelone glabra, White Turtlehead. 3 ft. White flowers in late autumn.

“ **lyoni, Pink Turtlehead.** Rose-pink flowers.

Cimicifuga americana, American Bugbane. White flowers in branches racemes.

“ **racemosa, Cohosh Bugbane.** 2 ft. White flowers in elongated racemes.

***Claytonia virginica, Virginia Spring Beauty.** 3-6 in. Beautiful pink flowers. Should be planted in beds in the shade.

Clintonia borealis, Bluebead. 10 in. Two or three prostrate leaves from which arise the flower stems bearing several creamy-yellow blossoms, which are followed by bright blue berries.

Cornus canadensis, Bunchberry. 6 in. Bunches of bright red berries in mid-summer.

Delphinium tricornis, Dwarf Larkspur. Large blue flowers on short spikes.

***Dicentra canadensis, Squirrel Corn.** 8 in. Greenish-white flowers tinged with rose.

* “ **cucullaria, Dutchman's Breeches.** 8 in. White flowers in early spring.

* “ **eximia, Fringed Bleedingheart.** 1 ft. Pink-purple flowers. All summer.

\$0.75 \$2.00 \$15.00

Desmodium canadensis, Canada Tick-Trefoil. 8 ft. Purple flowers.

***Dodecatheon meadia, Shootingstar.** 1-2 ft. Rose-purple flowers in May and June.

Echinacea purpurea, Purple Cornflower. 2-3 ft. Rose-purple flowers in June and July.

Epilobium angustifolium, Blooming Sally. 5 ft. Large pink flowers in mid-summer.

Eupatorium coelestinum, Mistflower. Beautiful blue flowers in autumn.

“ **perfoliatum, Boneset.** 2-3 ft. White flowers in flat heads. Good for planting beside ponds and in marshes.

3 10 100

Prices of hardy native perennials unless otherwise noted: 60c per 3; \$1.50 per 10; \$10.00 per 100.

Eupatorium purpurea, Joe-Pye-Weed. 4-6 ft. Blossoms are reddish-purple. A fine perennial for planting in front of shrubbery.

“ **urticaefolium, Snow Thoroughwort.** 3-4 ft. Pure white flowers. Should be planted in moist shade.

Euphorbia corollata, Flowering Spurge. 2 ft. Sprays of tiny ivory flowers in July and August.

“ **cyparissias, Cyprus Spurge.** Yellow flowers in June.

Filipendula rubra, Pink Garden Spirea. 5 ft. Blossoms are feathery plumes of deep rose.

Galax aphylla, Galax. Small evergreen plant extensively used for Christmas wreaths.

\$0.75 \$2.00 \$15.00

Gentiana andrewsii, Closed Gentian. 18 in. Bright blue blossoms that never open. Few native plants are more attractive.

“ **linearis, Narrow-Leaved Gentian.** 18 in. Blossoms earlier than the andrewsii and are more of a porcelain blue. Autumn.

Geranium maculatum, Wild Geranium. 18 in. Flower, rose-purple, 1 inch in diameter.

Gerardia virginica, False Foxglove. 2 ft. Bright, yellow tubular flowers in August.

Helianthus mollis, Hairy Sunflower. 4 ft. Large, single, lemon-yellow flowers. July and August.

* **Hepatica acutiloba, Sharplobe Hepatica.** An early blooming plant with white, pink and blue flowers. Prefers shade.

* “ **triloba, Roundlobe Hepatica.** Similar to the preceding with rounder leaves.

* **Houstonia caerulea, Bluets.** 3-5 in. Violet-blue or white with yellow eye.

.75 2.00 15.00

Inula helenium, Elecampane. 5 ft. A tall growing perennial with broad yellow blossoms.

Iris cristata, Crested Iris. 4-5 in. A southern species with light blue flowers.

.75 2.00 15.00

“ **prismatica, Cubeseed Iris.** 1 ft. Narrow grass-like leaves, with blue flowers.

“ **pseudacorus, Yellow Flag.** 3-4 ft. Bright yellow. May and June.

Those marked with an asterisk (*) are adapted to the rock garden.

3 10 100

Prices of hardy native perennials, unless otherwise noted: 60c per 3; \$1.50 per 10; \$10.00 per 100.

- ***Iris verna, Vernal Iris.** 4 in. Blue flowers with yellow centers.
\$0.75 \$2.00 \$15.00
- “ **versicolor, Blueflag.** 2 ft. A native of swamps and stream-sides. Light purple flower.
- Lathyrus maritimus, Beach Pea.** A small vine with blue pea-shaped flowers. For sandy soil.
- Lespedeza capitata, Roundhead Bushclover.** 5 ft. Flowers yellowish white with purple spots, in dense heads.
- Liatris scariosa, Blazing Star.** 2 ft. Purple flowers in full sun.
- ***Linaria vulgaris, Toad-Flax.** 1 ft. Yellow and orange blossoms throughout the summer.
- Linnaea americana, American Twinflower.** A low creeping perennial with pink and white flowers borne in pairs.
- Lobelia cardinalis, Cardinal Flower.** 5 ft. Tall spikes of brilliant cardinal red in late summer. For planting in shallow streams and pools.
- “ **syphilitica, Large Blue Lobelia.** 3-4 ft. Large blue flowers on long spikes.
- Lychnis flos-cuculi, Ragged-Robin.** 2-3 ft. Bright pink flowers in mid-summer.
- Lythrum salicaria, Purple Loosestrife.** 4 ft. Spikes of purple-colored flowers. For planting along streams or wet places.
.75 2.00 15.00
- Maianthemum canadensis, False Lily-of-the-valley.** 6 in. Bright pink berries in early autumn.
- Medeola virginica, Cucumber-Root.** 1-2 ft. Leaves in two whorls. Flowers greenish-yellow followed by dark-purple berries.
- Mentha spicata, Spearmint.** 2-3 ft. For planting along streams and wet places.
- Monarda fistulosa, Wild Bergamot.** 3 ft. Flowers lilac to purple.
- Mimulus ringens, Allegheny Monkeyflower.** 4 ft. Flowers blue varying to pink and white, very narrow throats. Plant in moist place.
- Nepeta cataria, Catnip.** 2 ft. An old-fashioned herb.
- * “ **hederacea, Ground Ivy.** Forms a mat of green in either sun or shade. Leaves round or kidney-shaped. Light blue.
- Osmorrhiza brevistylis, Sweet Cicely.** 3 ft. Hairy leaves 8-10 inches long

Those marked with an asterisk (*) are adapted to the rock garden.
